Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: Thanks for your continued support in every aspect of Ring 16, especially supporting what is sure to be one of our finest events, hosting Eugene Burger in November. A lot of support for this, and I feel we can't go wrong with this. Eugene is looking forward to coming back to Memphis, and I am sure we will all benefit from him coming back. Also, thanks for a great turnout and participation at our auction earlier this month. This was another success, and we owe that to you, also. We have seen recently with Jimmy Dixon bringing Connie Pittman, whose sister worked with The Great Magician Blackstone, and with others bringing props, tricks, etc. to our auction that are relevant to magic and mentalism from the past. If you have any of these, please feel free to bring them sometime as a show and tell type to our meetings. We would be glad to see them and hear about their stories, history, etc. All for now. Keep enjoying your summer. see you at our August meeting next week.
