Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: We had another good turnout for our June meeting, and we would like to thank Jimmy Dixon for bringing a guest to see us, Connie Pittman. Connie's sister was an assistant in Harry Blackstone Sr.'s show. Connie was very nice, and told us stories of Memphis from the past, and of her sister's involvement in Mr. Blackstone's show. She couldn't have been nicer, and even brought us photos to keep. Thanks again to Jimmy for bringing her, and hopefully she can visit us again soon. Who knew we had another person connected to magic history living right here in town? Our July meeting will bring us to our Annual Ring 16 Auction, so we hope to see you there next week. Hope you and your family have a nice and safe 4th of July.
