## Presidential Ponderings

*Bill Canaday - President*

Fellow Ring 16 Members: First, if you or your family members have served our country, Thanks so much for your service and Happy Memorial Day. Memorial Day officially kicks off the summer season, and with that being said, we hope to see you at our June meeting. Also, don't forget to make your plans to join us for our Annual Auction at our July meeting. We always have great items for auction, and people leave with new Magic, Mentalism Treasures. One thing that we do sometimes is perform a routine and get feedback, which really helps. At our May meeting, I performed a Mentalism Routine that I have been working on, and several of you gave me some great insight, advice, and tips. This really helped, and I appreciate it. Finally, we have a chance to host the great Eugene Burger later this year for a lecture, and the next day, a Seminar, and then go out to eat with him. I think this is a great opportunity for us; more information and updates coming soon on this! All for now, and I hope you and your family had a nice and safe Memorial Day! See you next week!
