Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: It is hard to believe, however, we are coming to the end of another great year for our Ring. Thanks to all of you for making this year another year of Ring 16 being as great as it is. We look forward to our annual SMMURFFF competition next week, and on to our Holiday/Christmas party in December. See you next week, and Happy World Magic Day, which is this Saturday on Halloween; and Happy Halloween, as well.
