Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: Thanks so much to everyone that came out to see Jared Kopf give a great lecture on Labor Day weekend, and thanks to Mike Speros for having us to his home for this. Jared is a very nice guy, and was very cordial and helpful to us, as he gave an excellent lecture. Thanks to Jeff Day for securing a nice place for our Monday Night Jam sessions, and thanks as always to Ammar for letting us use his Lodge again, this time for a well attended free lecture with another friend of our ring, Paul Prater. Paul was as nice as usual, and gave us a great lecture, covering a lot, including marketing, and some excellent bizarre and mentalism routines. Thanks to all who could make this lecture, as well. Don't forget that Gazzo is on his way, and so is Eugene Burger! We have our annual SMMURFFF competition in November, then our Holiday/Christmas Party is just around the corner, if you can believe it. All for now, looking forward to seeing you at our October meeting next week.
