## Presidential Ponderings

*Bill Canaday - President*

Fellow Ring 16 Members: With our September meeting coming up next week, we have Eugene Burger on the way to see us, and we have a free lecture proposal for us from our friend, Paul Prater. Paul wants to come back to Memphis next month, and he will present a free lecture. We can just pay for his gas, and purchase some of his many great products. Paul has been very successful, and is becoming more so. He is into Bizarre and Mentalism Magic; just in time for Halloween coming up. We had Paul here a few years ago, and this was a great lecture, and he is very nice, as well. This will be a new lecture, and we are lucky to have this kind offer from Paul. Last time, we went out to eat with Paul to Garibaldi's, and this was fun too. Maybe if he comes next month, we can do that again. We are having a great year for our Ring, and it is getting even better. See you next week at our meeting. Stay safe.
