Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: I had to work this past Saturday, and I would like to thank all of you that helped at the Botanic Gardens' Annual Easter Egg Hunt. Like Grayson said, the weather was perfect! I know they appreciate the great job each of you did, as we appreciate all they do for us. Thanks again so much

At a recent meeting, I believe it was John Campbell, who gave us a review of a couple of his latest magic and mentalism purchases. He did a very good job on that, as well. This would be good for future meetings, so if you have anything with magic, mentalism, etc. to review for us, please do so. We would love to hear from you. This could be a new purchase, or something you have had for awhile; that is up to you. All for now; Hope to see you at our April meeting next week.
